UNLIMITED, Suspension and)	
Investigation of Revocation of)	
Certificate No. 658)	

By Order No. 6770, served August 13, 2002, the Commission revoked Certificate of Authority No. 658 pursuant to Article XI, Section 10(c), of the Compact for respondent's willful failure to maintain on file with the Commission an effective certificate of insurance. Respondent filed an application for reconsideration of Order No. 6770 on September 11, 2002, and an effective certificate of insurance on September 16, 2002.

Under Title II of the Compact, Article XIII, Section 4(a), an application for reconsideration of a Commission order must be filed within thirty days of its publication and state specifically the errors claimed as grounds for reconsideration. The application in this case is timely but does not allege any error on the part of the Commission. The application therefore is denied.

However, considering that respondent has filed a new certificate of insurance showing reinstatement of full coverage, we will reopen this proceeding on our own initiative and reinstate Certificate of Authority No. 658.¹

IT IS SO ORDERED.
